And the words of the song say everything  
when I switch on the radio

Because it brings back all the memories  
and it seems so long ago.

Oh  
but there's a rain outside on the window pane

Is it cold inside your heart?  
If I don't get back to you somehow  
I know it's gonna tear me apart.

Once again  
let's give it another try

Because I need you back in my arms and then  
Once again  
the love in my heart won't die  
Even if you say good-bye

And I think I see you everywhere  
and sometimes I call your name.  
And I feel the hurt inside of me

And look each other in the eye

if our love has the strength to take us t  
We only have to keep it alive.

Once again  
let's give it another try

...

Oh  
but there's a rain outside on the window pane

...

Once again  
let's give it another try

...  
I said I need you  
oh  
I need your lovin'  
yeah

Oh  
back in your arms again.  
Once again  
let's give it another try  
...
