Stars shinin' bright above you,
Night breezes seem to whisper, "I love you,"
Bird singin' in the sycamore tree,
Dream a little dream of me.

Say "nightie night" and kiss me,
Just hold me tight and tell me you'll miss me.
While I'm alone and blue as can be,
Dream a little dream of me.

Stars fading, but I linger on, dear.
Still craving your kiss,
I'm longin' to linger 'til dawn, dear.
Just sayin' this...

Sweet dreams 'til sunbeams find you,
Sweet dreams that leave all worries behind you,
But in your dreams, whatever they be,
Dream a little dream of me.
