Tomorrow morning if you wake up
And the sun does not appear
I will be here here
If in the dark we lose sight of love
Hold my hand and have no fear
Cause I will be here.

I will be here when you feel like being quiet
When you need to speak your mind I will listen
And I will be here
When the laughter turns to crying
Through the winning losing and trying
We'll be together
Cause I will be here.

Tomorrow morning if you wake
And the future is unclear
I will be here
As sure as seasons are made for change
Our lifetimes are made for years
So I will be here.

I will be here and you can cry on my shoulder
When the mirror tells us we're older
I will hold you
And I will be here to watch you grow in beauty
And tell you all the things you are to me
I will be here.

I will be true to the promise I have made
To you and to the one who gave you to me...
