You made up your mind it was time it was over  
After we had come so far.  
I think there's enough pieces of forgiveness  
Somewhere in my broken heart.

I would not have chose the road you have taken,  
It has left us miles apart.  
I think I can still find the will to keep going  
Somewhere in my broken heart.

So fly. Go ahead and fly,  
Till you find out who you are.  
And I, I will keep my love unspoken  
Somewhere in my broken heart.

I hope that in time you will find what you long for.  
Love that's written in the stars.  
When you finally do, I think you will see  
It's somewhere in my broken heart.

Girl, I, I will keep my love unspoken  
Somewhere in my broken heart.

I hope that in time you will find what you long for.  
Love that's written in the stars.  
When you finally do, I think you will see  
It's somewhere in my broken  
Somewhere in my broken  
Somewhere in my broken heart.
