I know you say it's okay,
I know you say you're coming back someday,
You want to help the people,
I really don't want to see you go,
Renny and Momma say you're so brave,
But me and Dus don't really feel the same,
Doesn't anybody care what we say,
I know America's not safe,

(Chorus)

But I don't want to see my daddy go to war
I don't want to see my daddy go to war
I don't want to see my daddy go to war, go to war
I don't want to see my daddy go to war

I've heard about the war on TV, (Uh oh)
Don't really know what those big words mean, (Ooh no no)
I know a lot of people seem to think,
That you're doing the right thing, (Oh oh)
Me and Dus don't care what they think,
We understand you want to change something, (Oh oh)
It is the ferret of the war that I can't see, (No no no)
But they can take my daddy from me,

(Chorus)

Ohhh, Ohhhh,
Ohhh, Ohhhh,
Oh, there must be another way, (another way)
Somehow, someway you've got to stay, (please stay)
Cause on that great big wall I don't want to see your
name, (oh no no no no)
If they ask me, then I'll say, (don't take him)
Ooh,

Chorus x 2
