I fight the night  
To be alone has never frightened me  
Behind the light  
The shadow of your memory

Oh, who are you to turn the knife  
I am not your sacrifice  
Who are you when I can  
Get you out of my life?

Bet you didn't know  
That I would pack away my things and go  
And now it's true  
Gonna get along in spite of you

Don't want to hear your alibis  
Don't want your part time compromise  
Who are you when I can  
Get you out of my life?

Whatever I do, wherever I go  
I'm never coming back to you  
Whatever you do, wherever you go  
I'm gonna get over you

Whatever I do, wherever I go  
I'm never coming back to you  
Whatever you do, wherever you go  
I'm gonna get over you

I stand alone  
Another victim of your fantasies  
I face the world, ooh  
I'm searching for my destiny

Oh, who are you to tie me down  
When you were not always around  
Who are you when I can  
Get you out of my life?

Whatever I do, wherever I go  
I'm never coming back to you

Whatever you do, wherever you go  
I'm gonna get over you

Whatever I do, wherever I go  
I'm never coming back to you  
Whatever you do, wherever you go  
I'm gonna get over you, over you

Oh, who are you to turn the knife  
I am not your sacrifice  
Who are you when I can  
Get you out of my life?

Whatever I do, wherever I go  
I'm never coming back to you  
I'm never commin' back, babe  
Whatever you do, wherever you go  
I'm gonna get over you, over you

Whatever I do, wherever I go  
I'm never coming back to you  
I'm never commin' back, babe  
Whatever you do, wherever you go  
I'm gonna get over you

Whatever I do, wherever I go  
I'm never coming back to you  
Whatever you do, wherever you go  
I'm gonna get over you, over you

Whatever I do, wherever I go  
I'm never coming back to you
