Oh, I bet you never seen it coming  
I see them running all too scared  
'Cause I am there, gun in hand  
Hands up, everybody get 'em up  
Hands up 'cause I don't give a fuck  
You could have shown me some more class

And now you'll feel the wrath  
From the gun blast, the gun blast  
It all happened so fast

Could have been a stick up kid, no  
Should have been a lot of things, whoa  
Would I change everything  
Or anything for who I am today?

So, I guess, I better keep it moving  
As I walk away impaired  
Guess who is there, gun in hand?  
Hands up, everybody get 'em up  
Hands up 'cause now I'm really fucked  
I should have chosen another path

But now I'll feel the wrath  
From the gun blast, the gun blast  
It all went by so fast

Could have been a stick up kid, no  
Should have been a lot of things, whoa  
Would I change everything  
Or anything for who I am today?

Could have been a stick up kid, no  
Should have been a lot of things, whoa  
Would I change everything  
Or anything for who I am today?

Would I change everything? No  
I wouldn't change anything, no  
All that I've done and seen  
Has helped me be the man that I am today  
This is who I became

Could have been a stick up kid  
But every thing's not always what it seems  
Could have been a stick up kid  
Should have been a lot of things  
Could have been a stick up kid  
Should have been a lot of things

Could have been a stick up kid, no  
Should have been a lot of things, whoa  
Would I change everything  
Or anything for who I am today?

Could have been a stick up kid, no  
Should have been a lot of things, whoa  
Would I change everything  
Or anything for who I am today?
