It's written like the ink stains on my skin
The good book will tell you that I have sinned
Well I'm past that point of no return
So I hope that I don't burn, no!
I've done some bad I must admit
My life is different than you see fit
But lets not judge me just yet
'Cause I'm not finished this life
And only God can judge me

We lead but never follow
Not like you
And I will never live by your rules, no!
We lead but never follow you
No not you!
Your words to me are shallow
They're just like you
They're just like you

Well I've never been proud of my mistakes
But I'm proud of who I am today
You're still looking down on me
'Cause I wear my heart on my sleeve
And I've done some bad I must admit
There is some truth to what you think
But lets not judge me just yet
'Cause I'm not finished this life
And only God can judge me
We lead but never follow
Not like you
And I will never live by your rules, no!
We lead but never follow you
No not you!
Your words to me are shallow
They're just like you
They're just like you

I rise above you
I rise above you
I rise above you
I rise above you

And only God can judge me

We lead but never follow
Not like you
And I will never live by your rules, no!
We lead but never follow you
No not you!
Your words to me are shallow
They're just like you
They're just like you

It's written like the ink stains on my skin
The good book will tell you that I have sinned
Well I'm past that point of no return
So I hope that I don't burn, no!
I've done some bad I must admit
My life is different than you see fit
But lets not judge me just yet
'Cause I'm not finished this life.
