Why am I so afraid of the night
A silhouette it taunts me
My lack of faith in this beautiful life
My knowing of it haunts me
I'm haunted
And I know I should be afraid
Lay awake at night
Cry and know it's not alright
To feel like your falling into nothing
You can learn to fly
Just call His name
Just call His name
Suddenly I wonder why I feel so alone
I know there's something out there
Thought I'd suck it up and do it all on my own
Wish I'd known he does care
I'm hanted
And I know I should be afraid
Lay awake at night
Cry and know it's not alright
To feel like your falling into nothing
You can learn to fly
Just call His name
Just call His name
Wherever we go
Call out His name
Lift up our hands
Completely ashamed
Give it all up
Dropping our pride
Rip us apart
Change us on the inside
We cry out to You
We fall
Change us please
Lay awake at night
Cry and know it's not alright
To feel like your falling into nothing
You can learn to fly
Cry and know it's not alright
To feel like your falling into nothing

You can learn to fly
Cry and know it's not alright
You can learn to fly
