Said my baby runs me
with a steady roll
You know it doesn't make any difference
If she's hot or cold

Well, I looked at the clock,
The clock said one
Come on, baby, let's
Have a little fun
Said my baby runs me
with a steady roll

(Harmonica solo)

Said my baby runs me
with a steady roll
You know it doesn't make any difference
If she's hot or cold

Well, I looked at the clock,
The clock struck two
And I said, baby now
What you gonna do?
I said my baby runs me
with a steady roll

(Trumpet solo)

(Guitar solo)

Said my baby runs me
with a steady roll
Now, you know it doesn't make any difference
If she's hot or cold

Well, I looked at the clock,
The clock struck one

I said come on, baby, let's
Have a little fun
I said my baby runs me
with a steady roll

(Harmonica solo)
