Could you find my angel?  
She crawled under the bed  
I thought I saw her breathing  
But found out she was dead

It's too late  
It's over

Can't you feel these dreams (it's over)  
Message to the queen (it's over)  
The baby stops breathing (it's over)  
Can't you feel these dreams?  
It's over

Could you call a doctor  
Who can stop by at nine?  
Well, I'd planned this day for dying  
But now I'm feeling fine

It's too late  
It's over

Can't you feel these dreams (it's over)  
Message to the queen (it's over)  
The Baby stops breathing (it's over)  
Can't you feel these dreams?  
It's over

The Creature is walking  
The Creature is-

I got to find a new passage way  
Cause I got to get home by Saturday  
Queen to Castle, Church to Nun  
What a wicked web I've spun

I got to get home by Saturday  
So I got to find a new passage way  
I got a car with no place to go  
"How 'bout a little fire scarecrow?"

Wake yourself up  
You've been dreaming  
About having new friends  
In a ghost town

OH!

Wake yourself up  
You've been dreaming  
About having new friends  
In a ghost town

Can't you feel these dreams (it's over)  
Message to the Queen (it's over)  
The Baby stops breathing (it's over)  
Can't you feel these dreams (it's over)  
It's over
