There is a monster in my room  
We discuss movies over coffee  
And I think it's quite absurd  
Well he got hungry-Licked his lips  
He shook my hand, and tried to eat me  
And it's getting on my nerves

Don't you think it's strange that I've been reading  
And still I don't know how to kill you  
I'm trying hard not to meet you when I'm sleeping  
Still I don't know how to kill you

I've got tickets to a show  
That I know no one will be attending  
And I think that you should go  
I don't mind your complexion  
Or even the fact you are bleeding  
It's just the way that it goes

Don't you think it's strange that I've been reading  
And still I don't know how to kill you  
I'm trying hard not to meet you when I'm sleeping  
Still I don't know how to kill you

And I don't mind  
The shape your  
Head is in

(Screaming) I wanna see you explode
