This will fair one day it's all over
Fools of a secrets, there is what's out him for
After you death there's only one morning
Then you will see clearly no point to regretting the lord

Bridge
You have to make amends to god
Accept his eternal love

Chorus
Seek and you find out
Maybe today we'll be outdone
Jesus the way by all the tears you cried
Everything you hoped, son
There's no need to high now
He can see straight in to your heart
Lift up your life and brings you closer to god

Millions wake up that terrible morning
Only one lifetime to decide what to choose
The day after your death may come without warning
Then it's too late no point to complain you will lose

Bridge
You have to make amends to god
Accept his eternal love

Chorus
Seek and you find out
Maybe today we'll be outdone
Jesus the way by all the tears you cried
Everything you hoped, son
There's no need to high now
He can see straight in to your heart
Lift up your life and brings you closer to god

Seek and you find out
Maybe today we'll be outdone
Jesus the way by all the tears you cried
Everything you hoped, son
There's no need to high now

He can see straight in to your heart
Lift up your life and brings you closer to god
