The Love Song

For you alone my Father [x4]  
For you alone have my love, oh Father.

You are love, from you comes all  
Even death could not hold you. (You live!)  
Now I know, I so love you  
Jesus you are my Saviour. You reign!

There's no one else like you God [x4]  
There's no one else who can compare with you.

Hey, I want to be more like you Father,  
You are everything to me.  
Still the good I should do I do not do  
Weren't you everything to me?

I know faith comes from you  
That's why I need you, so please fill me with your power  
I don't wanna lose your loving presence,  
Disobeying your Holy Spirit.
