Temptation summons you in Into a world where you're craving the sin You're tasting it

Bite the apple Stroke the serpent

Chorus: Welcome to the freak show No one will ever know Where you stay, where you go Send your rejects No beginning, no end To the messages sent A disposable friend Send your request now

Communities never asleep Slaying their numbers of friends like they're sheep Collecting heads

Pimp me up Add me now

Chorus

Hazard! By-products of your existence Caution! Addiction knows no resistance Sickness drags you further in the machine Coward! Take cover, run, hide behind the screen

Wickedly cover your tracks They're searching, but you can slip through any crack Into the void

Hack and violate Flee and vacate

Chorus
