Just as the lion stalks
I took pills to go to sleep
Bodies move in sweet slow motion
In search of magic potion
I'm sitting on this boat and I don't know where to go
I think I'll fall asleep and lie myself AMONG all the ones
we've buried
(Because the rowers keep on rowing
and there is certainly no showing if this boat we're on is
slowing)

Just when the lying starts
I gave her pills to go to sleep but my mind is so X-rated
This sex is over-rated

OHH, I'M sitting on this boat and I don't know where to
go
Doesn't help to fall asleep
and lay myself amongst the ones we've buried

Just as the lying stops

Those pills don't help us sleep
Our lives are slowly fading
Receiving horrid ratings

Boy: Its ok, its ok
Girl: I don't feel so alone in here; they're in here

Just as the lying stops
Those pills don't help us sleep
Our lives are slowly fading
Receiving horrid ratings
