Take my hand,
I'll teach you to dance
I'll spin you around
Won't let you fall down
Would you let me lead?
You can step on my feet
Give it a try
It'll be alright
{Bridge}
The room's hush hush and now's our moment
Take it in
Feel it all and hold it
Eyes on you, eyes on me
We're doing this right
[Chorus]
Cause lover's dance
When thier feeling in love
Spotlight shining
It's all about us
It's oh, oh, oh, oh all about
uh,uh,uh,uh us
And every heart in the room will melt
This is a feeling you've never felt but,
It's all about us
{verse 2}
Suddeny, I'm feeling brave
Don't know what's got into me
Why I feel this way
Can we dance, real slow?
Can I hold you, real close?
{Bridge}
The room's hush hush and now's our moment
Take it in
Feel it all and hold it
Eyes on you, eyes on me
We're doing this right
[Chorus]
Cause lover's dance
When thier feeling in love
Spotlight shining
It's all about us
It's oh, oh, oh, oh all about

uh,uh,uh,uh us
And every heart in the room will melt
This is a feeling you've never felt but,
It's all about us

[Bridge]
Do you hear that love?
They're playing our song
Do you think we're ready?
Oh, I'm really feeling it
DO you hear that love?
Do you hear that love?

Do you hear that love?
They're playing our song
Do you think we're ready?
Love I'm really feeling it
Do you hear that love?
Do you hear that love?!

Do you hear that love?
They're playing our song
Do you think we're ready yet?
Love I'm really feeling it
DO you hear that love?
Do you hear that love?

Do you hear that love?
They're playing our song
Do you think we're ready yet?
Oh, I'm really feeling it
DO you hear that love?
Do you hear that love?

[Chorus}
Lover's dance
When thier feeling in love
Spotlight shining
It's all about us
It's all, all, all, all
Every heart in the room will melt
This is a feeling you've never felt but,
It's all, all about us

[Chorus}
Cause lover's dance
When thier feeling in love
Spotlight shining
It's all about us
It's oh, oh, oh
(hey-ey hey)

This is a feeling I've never felt but,
It's all...
It's all about us
