You got me caught in all this mess
I guess we can blame it on the rain
My pain is knowing i can't have you
[I can't have you]

Tell me,

Chorus

Does she look at you the way I do
Try to understand the words you say and the way you
move
Does she get the same big rush when you go in for a
hug
and your cheeks brush
Tell me am I crazy am I crazy

I catch my breath the one who took the moment you
entered the room
My heart is breaks at the thought of her holding you

Chorus

Does she look at you the way I do
Try to understand the words you say and the way you
move
Does she get the same big rush when you go in for a
hug
and your cheeks brush
Tell me am I crazy am I crazy
Or is this more than a crush

Maybe i'm alone in this but i find peace in solitude
knowing
If i had but just one kiss this whole room would be
glowing
We'd be glowing
We'd be glowing

Chorus x2

Does she look at you the way I do
Try to understand the words you say and the way you
move

Does she get the same big rush when you go in for a
hug
and your cheeks brush
Tell me am I crazy am I crazy
Or is this more than a crush
