

He Is We "Sway"

I cast myself into the sea,
To swim, why even try?
To fight the currents and win is slim,
So for now, enjoy the ride.
Compassion once filled to the brim,
For those who lost their way.
You had your chance, you chose to dance,
So for now I'll just...

Sway along,
I'll just sway along.

I recall yesterday, and just the other day
I found myself alone,
With a compass and a ship with no captain,
Headed on my way home,
See, the only problem with my idea was
I had to place to go.
I found myself in you for sometime,
But now I'm all alone.

Guess I've gotta...

Sway along,
I'll just sway along.
Find my way home,
Oh, I'll just sway along.

Look at me, I used to care,
Everybody point and stare,
I'm lost, I'm so lost!

You used to consume my mind,
But I was quick and sure to find,
You can't ever love anyone
Who doesn't love you back,

Any more, oh oh oh, oh oh oh, oh oh oh oh, oh oh!
Any more, oh oh oh, oh oh oh, oh oh oh, ohhh...

Sway along,

I'll just sway along.
Find my way home,
Oh, I'll sway along.

Sway, ay ay ay, ay ay ay, along.
Sway, ay ay ay, ay ay ay, ay ay ay ayyy along.

Oh, oh, oh...
