Speaking of Heaven
She looked like a God on earth
It was something I could not understand
Or explain

And I mean you don't know
The things I do while you are out cold
The things I do for you
Will lead to my breakdown

And I'm still curious
I'm curi-uri-ous
I'm still curious
Yeah

My baby kisses like a heart attack
Running like that
Squeezing till my face turns black
She pulls me under, she pulls me under

Girl, I mean you gotta know
The things I do for you while you are out cold
The things I do for you
Will lead to my breakdown

And I'm still curious
I'm curi-uri-ous
I'm still curious
Yeah

Breakdown
Breakdown
My breakdown
Breakdown, yeah

Curious
I'm curi-uri-ous
I'm still curious
Yeah

'Cause I'm still curious
I'm curi-uri-ous

I'm still curious
