She's got the anger of a suffragette  
But she's crying a river  
She's got the smile of a side show clown  
But she stands and delivers

I'm drinking heavily to slur my stroll  
And to get some rhythm  
I'm on the prowl but who would've thought  
That I couldn't pick up

Maybe you can help me  
I am looking for some one to dance with  
Baby, can't you help me?  
You know, I hate dancing by myself

I see a looker with a neon top  
So I started talking  
She holds the wall up with a broken shoulder  
So I started walking

I turn the corner and who do I spot  
It's that girl from TV  
I spill my liquor and my buzz is gone  
So I stroll in easy

Maybe you can help me  
I am looking for some one to dance with  
Baby, can't you help me?  
You know, I hate dancing by myself

She's got the anger of a suffragette  
But she's crying a river  
She's got the smile of a side show clown  
But she stands and delivers

I'm drinking heavily to slur my stroll  
And to get some rhythm  
I'm on the prowl but who would've thought  
That I couldn't pick up

Maybe you can help me  
I am looking for some one to dance with

Baby, can't you help me?  
You know, I hate dancing by myself

Maybe you can help me  
I am looking for some one to dance with  
Baby, can't you help me?  
You know, I hate dancing by myself
