I remember the first time
Yeah, down at Jefftown Creek
You and me and a bottle of wine
And the night that smelled so sweet

Came up Sunday morning
First day of the week
And I found that I had changed
Down at Jefftown Creek

I know that I'm not the same anymore
Well can't you see it's true
Find all the answers and pass'em along
Hope that it's me and you

When I found all the answers and words
But could not speak
But I knew that I had changed
Down at Jefftown Creek

When I found all the answers and words
But could not speak
But I knew that I had changed
Down at Jefftown Creek

I remember the first time
Yeah, down at Jefftown Creek
You and me and a bottle of wine
And the night that smelled so sweet

Came up Sunday morning
First day of the week
And I found that I changed
Down at Jefftown creek

Came up Sunday morning
First day of the week
And I found that I had changed
Down at Jefftown Creek
Down at Jefftown Creek
