You give me such a hard time  
Whenever I come around  
I miss you till I see you  
And you always bring me down

Now loving you comes easy  
But it kills me more each day  
And it wouldn't be so hard for you  
To love my blues away

I try to be a good man  
Yes, I try to do my best  
You know I'm nothing special  
But I ain't like all the rest

So you bend me ætound your fingers  
And it kills me more each day  
But it wouldn't be so hard for you  
To love my blues away  
To love my blues away

Going down to the corner  
To catch myself a ride  
I've got to find a new place  
Another place to hide

Find another woman  
Who will love me like you do  
And throw me in the gutter  
When her loving me is through  
To throw me in the gutter  
When her loving me is through

Well, I try to be a good man  
Yes, I try to do my best  
You know I'm nothing special  
But I ain't like all the rest

Well you're treating me like nothing  
And it kills me more each day  
But it wouldn't be so hard for you

To love my blues away  
To love my blues away
