We came and went  
too much time was spent  
In the flows of the runaway holiday  
But you can't afford me  
And now jude can't afford me  
Oh I can't be rich I'm responsible  
If you even care let me know  
I love you so  
But I want your crowd to go  
Now you're asking me  
Asking me

Who made the million dollar decision?  
I made decisions of my heart

You see a man  
with his head in his hands  
That's the portrait of a runaway devil for you makin'  
your demands  
You came before me  
Now you can't afford me  
Oh I can't be rich I'm responsible  
If you even care let me know  
I love you so  
But I want your crowd to go  
Now you're asking me  
Asking me

Who made the million dollar decision?

I made decisions of my heart  
Who made the million dollar decision?  
I pay for it when we're apart

You're falling to your death  
Forgiving what you get  
You took the fall  
You're falling to your death  
And now you're asking me  
You're asking me  
You're falling to your death  
Forgiving what you get

You took the fall  
You're falling to your death  
And now you're asking me  
Asking me

Who made the million dollar decision?  
I made decisions of my heart  
Try to get the best of me  
And tell the biggest lies to me  
I pay for it when we're apart  
I made decisions of my heart

I made decisions from my heart
