You wanna pop pop pop  
You wanna click click click  
You wanna shoot  
You wanna shoot  
You wanna shoot  
Shoot everything you came to shoot  
Do everything you came to do

Yay-e-yeah  
I'll put assassins in your little head yeah  
Yay-e-yeah  
I'll put assassins in your little head yeah

Sleepin with the enemy  
Seems to get the best of me  
Sleepin with the enemy

You wanna pop pop pop  
You wanna click click click  
You wanna shoot  
You wanna shoot  
You wanna shoot

Yay-e-yeah  
I'll put assassins in your little head yeah

Sleepin with the enemy  
Seems to get the best of me  
Sleepin with the enemy

Yay-e-yeah  
I'll put assassins in your little head yeah  
Yay-e-yeah  
I'll put assassins in your little head yeah  
Yay-e-yeah  
I'll put assassins in your little head yeah  
Yay-e-yeah  
I'll put assassins in your little head yeah
