You ain't loved me right for a while  
For your hand and word I'd crawl a mile

For all that I know  
For all that I know  
For all that I know  
You're still scandalous

You're so scandalous  
You're so scandalous  
You're so scandalous  
I just can't handle it

You ain't loved me right for a while

For all that I know  
For all that I know  
For all that I know  
You're still scandalous

You're so scandalous  
You're so scandalous  
You're so scandalous  
I just can't handle it

You're so scandalous  
You're so scandalous  
You're so scandalous  
I just can't handle it

Grin and bear it, I'll wear it  
My crown of thorns  
They better be pointed  
They gotta be pointed

No mercy, no mercy  
My crown of thorns  
I gotta be hated  
I gotta be hated

You're so scandalous  
You're so scandalous

You're so scandalous  
I just can't handle it

You're so scandalous  
You're so scandalous  
You're so scandalous  
I just can't handle it
