She was a girl all alone in the world
But she was young and she was free
She understood the supernatural
A real lady of mystery
She could feel the earth turning
Way down beneath her feet
You could just imagine
What a trip she was to meet

Feelin' her spell comin' on
Showin' you how to have fun
Wonderin' where she's gone
Take it on home

Saturday night down at old camopus town
Helpin' everyone hold up the wall
Hangin' around watchin' dancers get down
Wonder why I show up at all
But then it's just like magic
When she walks out on the floor
She begins to dancin'
And your soul cries out for more

Feelin' her spell comin' on
Showin' you how to have fun
Wonderin' where she's gone
Take it on home

Feelin' her spell comin' on
Showin' you how to have fun
Wonderin' where she's gone
Feelin' her spell comin' on
Showin' you how to have fun
Wonderin' where she's gone
Take it on home

Take it on home, oh aahh
Take it on home
Take it on home
Take it on home
Yeah home

Take it, take it, take it home
Oh, come on home
Yeah
Come on and take it home
Ohh yeah
Got to take it home
I want to take it home
Take it home
Yeah yeah
