"Trouble"

I got trouble every day
Looks like it won't go away
Because I know I got my stuff
If I can hold on long enough
Yeah, now just a little while longer

Well everybody looks at me
They all think I'm trouble free
But here's some news - you're not alone
Let's get together and bitch and moan

Well if you need a helping hand
I'm always here to understand
After all is said and done
We'll get that trouble on the run

Trouble is something
That can happen to any old anyone
Trouble is something
That you hope doesn't hang around very long
Yeah, whoa...
Do do do do do I got trouble
Do do do do do I got trouble
Do do do do do I got trouble
Do do do do do I got trouble
Do do do do do I got trouble
It just won't go away
Do do do do do I got trouble
It's got me every day
Do do do do do I got trouble
Help me, help me, help me
Do do do do do I got trouble
Whoa
