Philadelphia subway poundin'
Music in my ears keeps hummin'
The rhythm of the trains
Blendin' with the band

Then it was a nervous Sunday
Headin' into a New York Monday
Another show, another one night stand

Hard drivin' day
And those hard livin' ways
Late night fights and those red-eye flights
From New York to L.A.
One more big show
It's the last one to go
Gotta run, gotta have some fun
Here I come to ??

Started out in Kansas City
Women there are oh so pretty
On to Tusla, St. Louis, San Anton
Dallas, Houston got me goin'
And the show just kept on rollin'
Wonderin' if I'd ever see my home

Hard drivin' days
And those hard livin' ways
Late night fights and those red-eye flights

From New York to L.A.
One more big show
It's the last one to go
Gotta run, gotta have some fun
Here I come to ??

Hard drivin' days
And those hard livin' ways
Late night fights and those red-eye flights
From New York to L.A.
Hard drivin' days
And those hard livin' ways
Late night flights and barroom fights

All along the way
One more big show
It's the last one to go
Gotta run, gotta have some fun
Here I come to ??
Hard drivin' days
And those hard livin' ways
Gotta run, gotta have some fun
Here I come to ??
