It's nice to see you again
The years have been kind to you
You know I often think of you and smile
All the crazy things we used to do

Well growing up together was good for me
Making love to you was warm and easy
We started slow took a long time to grow
Don't know how it began
Took a long time to end
Now everyone's different
It's a change of age
Gone our separate ways
Turned a different page

Our parents were wise
No we could not lie
Or we were bound to be caught
We couldn't complain
Though they drove us insane
It was worth all the love we got
It's so nice to see you smile
For just this little while
And I hope that I'll see you again

It started slow
Took a long time to grow
Don't know how it began
Took a long time to end
Now everyone's different
It's a change of age
Gone our separate ways
Turned a different page

It started slow
Took a long time to grow
Don't know how it began
Took a long time to end
Now everyone's different
It's a change of age
Gone our separate ways
Turned a different page

Gone our separate ways (3 times)
