You hit me just like a cool breeze
Many have said what you say
But you said it to me with such ease

I'm not sayin' I don't believe you, no
I'm just sayin' I don't know you, Susan

(Susan, Susan)
We'll have time to learn about each other
(Susan, Susan)
Take your time so you know that you don't want
another, no

You came along when I needed a best friend
I don't want it movin' too fast
'Cause I don't want to push it to the end

I'm not sayin' that I don't believe you, no
I'm just sayin' I don't know you, Susan

(Susan, Susan)
We'll have time to learn about each other
(Susan, Susan)
Take your time so you know that you don't want another

(Susan, Susan)
Well, I've got plenty of lovin' deep down inside me for
you
(Susan, Susan)
Make sure Susan so that we'll never say, we're sorry,
no

Susan, we'll have time to learn about each other
(Susan, Susan)
(Susan, Susan)
Take your time so you know that you don't want
another, oh

(Susan, Susan)
Well, I've got plenty of lovin' deep down inside me for
you
(Susan, Susan)

Make sure Susan so that we'll never say, we're sorry,
no

(Susan, Susan)
Well, come on Susan
There just ain't no sense in losin'
(Susan, Susan)
This time we have together, oh, no, oh

(Susan, Susan)
We'll have time to learn about each other
(Susan, Susan)
Take your time so you know that you don't want
another, oh

(Susan, Susan)
Well, I've got plenty of lovin' deep down inside me for
you
(Susan, Susan)
Oh, oh, yeah, Susan
