If she brings you happiness  
Then I wish you both the best  
It's your happiness that matters most of all  
But if she ever breaks your heart  
If the teardrops ever start  
I'll be there before the next teardrop falls.

Though it hurts to let you go  
Darling, I want you to know  
That I'll stand by you if ever you should call  
And if I should ever hear  
That she's made you shed a tear  
I'll be there before the next teardrop falls.

I'll be there anytime you need me by your side  
To dry away every teardrop that you cry  
If she ever leaves you blue  
Just remember I love you  
And I'll be there  
Before the next teardrop falls.

I'll be there  
Before the next teardrop falls...
