Fighting in the street  
The strong survive you'll see  
Pacing every move  
We will not be tamed  
I wonder if you think of me  
As a human being  
We don't really care  
To us you mean nothing

Bloodshed in the streets  
As the Bruisers defeat

Trying to make a find  
Of our weakest link  
You'll never get the answer  
So don't you even think  
Because we are here  
And here to stay  
We will rule the streets  
And you will win no wa
