Oh, please don't be so careless with your glances  
Don't look at me that way and breathe a sigh  
Oh, please don't get too close and let me love you  
'Cause I'd just be fool enough to try

It's not that I don't think I'm worthy of you  
But memories from the past I still recall  
Don't let me hold you in my arms and kiss you  
'Cause I'd just be fool enough to fall

Don't let me tell you how I've dreamed about you  
And longed to have a love that I could share  
Oh, please don't let your eyes be so revealing  
'Cause I'd just be fool enough to care

It's not that I don't think I'm worthy of you  
But memories from the past I still recall  
Don't let me hold you in my arms and kiss you  
'Cause I'd just be fool enough to fall
