I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standing looking back at me
And it was plain to see that I'd enjoy your company

One Sunday afternoon as I was ridin' down the street
I met a cute little girl all dressed up so sweet
And the way that she was stacked I wish I'd have had a Cadillac
But who would notice me just drivin' this model T

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standing looking back at me
And it was plain to see that I'd enjoy your company

Now listen baby it doesn't matter to me
Even in your model T, you're as cute as you can be
If you'll come sit by my side I will take for a ride
And I will guarantee we'll have fun oh man alive

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at me
You were cute as you could be standing looking back at me
And it was plain to see that I'd enjoy your company

Oh me, oh gee
Perhaps you'd notice me if I wouldn't drivin' this model T

I was looking back to see if you were looking back to see
If I was looking back to see if you were looking back at

me
You were cute as you could be standing looking back at
me
And it was plain to see that I'd enjoy your company
