"Mansion On The Hill"

Tonight down here in the valley
I'm lonesome and oh, how I feel
As I sit here alone in my cabin
I can see your mansion on the hill

Do you recall when we parted?
The story to me you revealed
Yes you said, you could live without love dear
In your loveless mansion on the hill

I've waited all through the years
Love to give you a heart true and real
'Cause I know, you are living in sorrow
In your loveless mansion on the hill

The light shines bright from your window
The trees stand so silent and still
Oh I know, you're alone with your pride dear
In your loveless mansion on the hill
