"Tip Of My Fingers"

I reached out my arms and I touched you with soft
words I whispered your name
I held you right on the tip of my fingers but that was as
close as I came
My eyes had a vision of sweet lips yeelding beneath my
command
I had your love on the tips of my fingers but I let it slip
right through my hands
But I let it slip right through my hands
Somebody took you when I wasn't looking and I should
have known from the start
That it's a long long way from the tip of my fingers
To the love hidden deep in your heart
To the love hidden deep in your heart
