Visit "[Wondering](#)" on MotoLyrics.com

Wondering, wondering who's kissing you
Wondering, just wondering if you're wondering too
Every hour, through the day since you went away
I've been wondering, yes, wondering if you're
wondering too

I pray every night to the good Lord above
To send back to me the one I really love
(Wondering, wondering)
Who's kissing you
(Wondering, just wondering)
If you're wondering too

I pray every night
Every hour, through the day since you've been away
I've been wondering, yes, wondering if you're
wondering too
