Could you see how i've sold my blood?
Gonna spill my seed all over the world
Shake a stick at the rule o' the world
Gonna shave myself a little closer

What i want to do is insane
I'm the sheriff and i'm back again
The reason that you're covered in dirt
I'm a monster in a shirt

Cos there the same wot social?
Gonna abuse myself all over the world

Jimmy D in the dead sundown
And the reason i'll say a little no no

You were the ones that settled in my arms
You were our sons
You were the ones we fought for and died
You were our sons

What i want to do is insane
I'm the sheriff and i'm back again
The reason that you're covered in dirt
I'm a monster in a shirt
