Do you want to get involved?  
Or do you want to just exist?  
Dye your hair and spike it up  
Be another shaking fist  
Those whiners criers everywhere  
"the scene is dead!"  
But you don't care  
WAKE UP!  
This is where it all begins  
Wasting time  
Wasting words  
ACT NOW!  
You'll be heard (x2)  
WAKE UP!  
This is where it all begins!  
Its time to change  
Don't be ashamed  
Unite and fight for what is right  
Unite and fight for god has raised a mighty army  
Unite and fight for what is right  
Unite and fight for jesus christ!  
Unite!
