I've had enough and I can't take it anymore
So tell me how much is too much to bend your knees on
the floor
And cry to God to save you from this sack of flesh
I know you know about the way but still you laugh
another day
I wanna scream and kick some sense into your head
Why must you hit the bottom line
Why must u wait until your Dead! Dead! Dead
Sick of being sick? Don't you wanna be free! Sick of
being sick?
Don't you wanna be free! Bondage to deadly disease
Sick of being sick? Don't you wanna be free! Sick of
being sick?
Don't you wanna be free! Bondage to deadly disease
I've Had Enough!
I've had enough and I can't take it anymore
So tell me how much is too much to bend your knees on
the floor
And cry to God to save you from this sack of flesh
I know you know about the way but still you laugh
another day
I wanna scream and kick some sense into your head
Why must you hit the bottom line
Why must you wait until your dead
Why can't you see the flashing sign
Why must you walk that rode ahead
I slowly put my gloves on...cause I'm an usher at your
funeral
Your caskets riding in the cadillac
Our family's crying what a total waste!
He was so young and very promising
The drugs and drinking took him far away
But it's all better cause he's in a nicer place...
And it's all better cause he's in a nicer place!!! (6x)
Do you think that hell is nicer than this place
Tormenting flames and burning pain
The teeth are gnashing night and day
I'VE HAD ENOUGH!!!
(Matt 18:8-9)
