Invest your money run that race greed carves deep  
lines in your face,  
Lust for more you love the taste, you can't serve God  
and money,  
You can't serve God and money, you can't serve God  
and money!

Count your pennies horde your cash, like a pig eat all  
your trash  
Schools of finance, brains of mush, world hell bent on  
money lust  
You can't serve God and Money  
Money, power, greed, and lust,  
Corruption lies and anti-trust, the dollar signs will make  
you blind

Kids will suffer nations die, global domination rise,  
Me and you must sever ties, tolling the lust of the eyes,  
Where's you heart, there's you love,  
Is your treasure sure up above who's your God? Bow  
down low

You can't serve God and  
Money, power, greed, and lust,  
Corruption lies and antitrust the dollar signs will make  
you blind

Worship of insanity is what you play feeding your  
desires is an easy way more greed,  
Your problems gotten terminal it's way too late,  
Worldly minded thinking says accept your fate more  
greed,  
You care about as much as the money, you love the  
dead men printed on it (2x)  
Will a motto the says in God we trust your filled with  
corruption greed and lust  
You long for destruction you live in temptation  
You brought nothing in this world, take nothing out

If you don't turn to God, you'll be spiritually  
annihilated!
