The Heads

She was a punk Lolita

C.B.G.B. era

Holes in her stocking

Nothing is shocking

Down at the heels

Had what it takes to feel

She could rock the world

She was a punk girl, Ooooh

You don't care that I'm just a punk girl doin' it funky

You don't care that I'm just a punk girl doin' it.

Get offa your pedestal

It's a freakin' free world

Get offa your pedestal

It's a freakin'!

She was a punk Lolita

Anya and Lydia

La petite Damita

Could easily eat ya

Holes in her stocking

Nothing is shocking

Down at the heels

Keepin' it real, Ooooh

You don't care that I'm just a punk girl doin' it funky

You don't care that I'm just a punk girl doin' it.

You don't care that I'm just a punk girl doin' it funky

You don't care that I'm just a punk girl doin' it.

She was a punk Lolita

C.B.G.B. era

Connie and Roxie

And sweet Roberta

Who manned the door

So if you were poor

You'd get in for free

C.B.G.B. la! Ooooh

You don't care that I'm just a punk girl doin' it funky

You don't care that I'm just a punk girl doin' it.

Get offa your pedestal

It's a freakin' free world

Get offa your pedestal

It's a freakin'!

You don't care that I'm just a punk girl doin' it funky
You don't care that I'm just a punk girl doin' it.
You don't care that I'm just a punk girl doin' it funky
You don't care that I'm just a punk girl doin' it.
