(Heather Myles)

Gotta keep working seven days a week, I can't eat and I  
can't sleep  
Feel like a train's ran over me  
I gotta keep my mind occupied, been running on  
overdrive  
Don't know what's got into me.

Well, I was always content being by myself  
Now I don't know what to do  
'Cause every time I turn around  
I'm thinking of a rendezvous.

Well I'm laughing on the outside  
Crying on the in  
'Cause you've taken me places  
I wish I'd never been.

--- Instrumental ---

Never took a walk on the wild side of life, I'm making  
up for losing ground  
You turn my engines on full steam  
Got a taste but I ain't satisfied, gonna do what I never  
tried  
There's a lot of world I haven't seen.

Never missed what I never had  
Now my mind is stuck on you  
Now I find I'm doing things  
I swore I'd never do.

I'm laughing on the outside  
Crying on the in  
'Cause you've taken me places  
I wish I'd never been.

You've taken me places  
I wish I'd never been...
