Headshots, bombdrops  
Driving me insane  
Slaughter, killing  
Can you feel their pain  
Torture, fighting  
Adrenalin on high  
Bullets, blood runs  
As I watch'em die  
Soldiers looting  
Chaos in their brains  
Bastards raping  
Fear is what remains  
Pictures of sorrow  
Snapshot of the dead  
Focus for cash  
TV's runnin' red  
Blood on the screen  
Death  
Machinery is paying me  
Blood on the screen  
War  
For anyone out there to see  
Blood on the screen  
Death  
Machinery is paying me  
Blood on the screen  
War  
For anyone out there to see  
Blood  
Blood on the screen  
Death machine  
TV war extreme  
How many victims of war have I seen
