### "Bound To Fail"

Like demon possessed, taking no rest  
Building the tower ahead  
Founded on science, unholy alliance  
The mental life suffers instead

Pushing on faster, head into disaster  
The tower sways up to the spire  
Eternal erection with no satisfaction  
Symbol of misled desire

Aiming heaven, approaching hell  
Blinded by greed and deceit  
Inflicted by karma, extending the drama  
The harvest of yesterday's seed

Life's meaning descending with no comprehension  
Mysterious enigma unsolved  
In one-way direction, just forcing the action  
Mankind is one-sided evolved

A morbid monument arising  
A monolith that shall prevail  
No synchronicity with nature's law  
Unstable, bound to fail
