I am the last of a dying breed,  
the spartans built to fight and born to lead  
we will destroy the covenant and make them bleed  
cortana lead me through your eyes I will see

Heading off to the halo rings  
Finding out that earth is the final key  
Destroying the flood for all eternity  
Killing brutes, jackals, grunts and covenant elites

I am the mastercheif,  
no one can mess with me  
saving the world from catastrophe  
unleashing BXR's and killing sprees

Killing Sprees  
Lets start a match Team slayer on lockout  
battle rifles blazing your gonna get knocked out  
turn the corner gonna stick ya right in da grill  
gettin no scoped beat down im one in a mil

HEADSHOT!!!

HEADSHOT!!!

unstoppable

Team skirmish CTF on zanzibar  
capturin flags gettin my battle scars  
time to defend im bustin heads with my shotgun  
second round secured another battle won

I am the mastercheif,  
no one can mess with me  
saving the world from catastrophe  
unleashing unstoppable and killing sprees

I am the mastercheif,  
no one can mess with me  
saving the world from catastrophe  
unleashing unstoppable and killing sprees
