Back to the old patterns, step back in time  
Old familiar failures, progress denied  
Idiotic idols to fill the inner void  
Crippled fantasy, mentally destroyed

I can see no future, everything has failed  
No more self-confidence, back to the grave  
See our world in pieces, rotten from inside  
There is no perspective on the bottom line

Rust and decay  
I see the world in shades of gray  
Sick and insane  
In lowest consciousness we remain

Unconscious search for life  
Unfit imagination  
Desires unfulfilled  
Ends up in mass frustration
