I am your master  
You are my slave  
I am the general  
To lead you to the grave  
I give you orders  
You have to obey  
Mine is the glory  
On your final day  
My world is built of lies  
I laugh you start to cry  
You pay the highest price  
For you i'ts time to die  
I go to heaven  
You go to hell  
I am the holy  
Got your soul to sell  
Send me your money  
Send me your gold  
I'll live forever  
You won't get old  
My world is built of lies  
I laugh you start to cry  
You pay the highest price  
For you i'ts time to die  
You are addicted  
Addicted to me  
You are the fool  
I want you to be  
You fly to rainbows  
Then burn in fire  
I am the dealer  
Who knows your desire  
My world is built of lies  
I laugh you start to cry  
You pay the highest price  
For you i'ts time to die
