Reach down, deep down  
Into my life that seems in vain  
Morbid thoughts infect my mind  
A morbid mind drives me insane  
My life burns low  
So low with a desperate flame  
I've seen the writing in the wall  
Try it from the other side  
Drowned in a sea of madness  
Lost in a river of pain  
My life is in confusion  
Again and again  
Fight to survive  
Caught in a struggle for  
Life don't give up  
Don't ever give up and  
Fight for your mind  
One of a different  
Kind take control  
Dig deep, real deep  
Into my dreams for which I fought  
Dead and gone, mostly insane  
Me and myself are trapped and caught  
My brain freaks out  
A sick mind infects my thought  
I've seen the writing on the wall  
Make it to the other side  
Drowned in a sea of madness  
Lost in a river of pain  
My life is in confusion  
Again and again  
Fight to survive  
Life take control  
Drowned in a sea of madness  
Lost in a river of pain  
My life is in confusion  
Again and again  
Fight to survive  
Caught in a struggle for  
Life don't give up  
Don't ever give up and

Fight for your mind  
One of a different  
Kind take control
